Dear Member,

Job Central on AESA Website

We have jobs listed on the AESA website nearly every week. There are ESA jobs and local district leadership jobs posted regularly. You can use this service to list your openings and broaden your reach into the folks who understand regional agencies, or you can use it to find openings as well. If you have an opening to list - [job opening post](#) or if you want to check it out - [take a look here](#).

Call for Proposals - AESA Annual Conference

You are invited to submit a proposal for one of the 70+ breakout session slots at the AESA Annual Conference to be held December 3-6 at the San Diego Hilton Bayfront Hotel in San Diego, CA. The breakout sessions are the heart of our annual conference as they provide an opportunity to showcase what your ESA is doing and for all of us to consider whether this type of program or service might meet the needs of the school districts that we serve.

The theme of our conference for 2014 is *"Navigating the Opportunities of Collaboration"*. The four submission areas are:

- Equity in Education - Finding Ways to Serve All Children
- Governing and Leading the Change - Innovative Programs and Services
- The ESA Role in Student Learning
- An Open Category
