**Dear Member,**

**"AESAs's Annual Conference**  
**November 28-December 1, 2012**  
**Tampa, Florida**

*Inform, Innovate, Implement!*

"Perhaps one of the best education conferences I have ever attended," is only one of the comments from last year's participants. Yes, this is a great conference and it is the only conference just for Educational Service Agencies. With top notch keynote speakers and 80 best practice breakouts geared toward board leadership strategies in the 21st century, common core standards, cyber learning/hybrid learning and shared services. This is the best professional development for you, your governing board, and your staff around regional service delivery.
