### WEBINAR - 403(b)/457 Retirement Plan Audits

TSA Consulting Group, Inc. (TSACG) is an independent provider of 403(b) and 457(b) administration services to public education employers and other non-ERISA governmental employers. They have been providing their unique Compliance Edge® program to clients since 1996, while molding and expanding services to incorporate the real needs of their clients in an evolving retirement marketplace.

The company works with Plan Sponsors to provide efficient solutions for IRS compliance including administrative and documentation compliance for Plan and investment provider oversight, payroll remittance services, recordkeeping management, and other tailored services to aide clientele with effective Plan administration.

One of TSACG's cornerstone services is the assistance provided in the event of IRS audit. Over the last five years, TSACG has served as Special Power of Attorney for more than 45 public education employers for the duration of the IRS audits of their retirement plans. Please use this opportunity to stay informed about key requirements regarding retirement plan audits by joining Robert Ard, TSACG's Chief Compliance Officer, for one of the two educational webinars shown below. Please note: click on the link below to register. Each webinar will be limited to the first 1000 registrants.
