Dear Member,

Professional Development for New or Newer ESA CEOs - Sign up Now!

The fourth cohort of the New CEO Orientation program will be held in a few weeks in Cincinnati, OH. This program helps new CEOs get connected, see the national perspective, build their network and learn new skills. [Sign up now](#) to get in on this wonderful opportunity - April 28-30th, Cincinnati, OH.

Summer Leadership Conference - Santa Fe, New Mexico

The Summer Leadership Conference will be held July 14-17th, and space is filling up quickly. Many agencies are bringing teams because of the strong agenda. [Check it out here](#) and consider making your plans. [Registration is Open!](#)

Member Request - Looking for your Help

One of our members, CESA #1 in Wisconsin is looking for your help. CESA #1 in Wisconsin is currently engaged in a strategic planning process that will result in a new three year agency business plan. As part of the process, they are interested in looking at possible formats being used by other AESAs who have recently updated their business plans. If you have a plan that you are willing to share, [please respond here](#). We will post this on our website section called AESA Solution Center, for your review.

Welcome to our Newest Business Member

RMC Research Corporation (www.rmcresearchcorporation.com), founded in January, 1966, believes that by using research and evidence to drive action, thinking strategically while working systemically, and acting collaboratively, we help clients improve and reach their desired outcomes.

RMC Research specializes in providing services in research, program, and policy evaluation; professional development and training; and technical

assistance and consultative services in education and human services. Clients include Federal and State agencies, their intermediate agencies, districts, schools, and private organizations. Among the services provided are: assistance with grant writing; program/project evaluation; comprehensive district/school quality reviews, curriculum alignment/implementation audits; educator effectiveness evaluation; technical support in assessment/data collection and analysis; online, digital content development and delivery for instruction and professional development; parent/community engagement, and facilitation support for planning and implementation of programs/initiatives.

With offices in Portsmouth, NH; New York, NY; Arlington, VA; Tampa, FL; Denver, CO; and Portland, OR, RMC is positioned to deliver quality, cost-efficient services anywhere in the country.
