# MONTGOMERY COUNTY ESC

As an Ohio Educational Service Center (ESC), we are a regional partner that helps schools do more with less, guided by visionary leadership and a strong commitment to innovation. By sharing expertise and resources across districts, we provide cost-effective services that strengthen schools, expand opportunities, and improve outcomes for students. Known for our forward-thinking research and development, we help educational communities stay ahead of emerging needs and lead with confidence into the future.

## SERVICES WE PROVIDE

- Professional development for teachers and leaders
- Special education and student services
- Curriculum and instructional support
- Mental health resources and wraparound services
- Leadership training and strategic guidance

## WHAT MAKES THIS A GREAT PLACE TO LEAD?

- Stable and respected regional organization with long-standing community partnerships.
- Providing services to a broad spectrum of districts, reflecting the full range of community and socioeconomic needs
- Diverse funding sources create a dynamic and rewarding financial environment.
- Opportunity to influence county-wide educational impact.
- A culture that values innovation, transparency, and service.

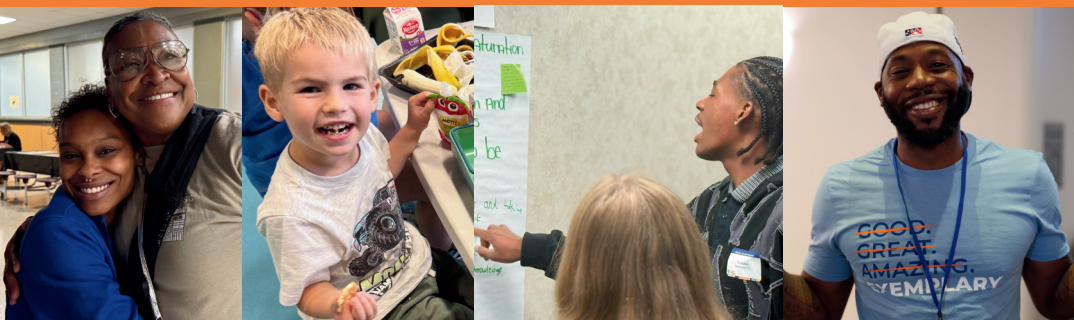

## WHY THIS ROLE MATTERS

- Direct impact on county-wide education quality
- Strategic financial leadership for 50M+ annual operations
- Shapes sustainable, innovative growth for programs serving thousands

## ABOUT MONTGOMERY COUNTY

- Vibrant communities with affordable cost of living
- Strong business, higher-ed & civic partnerships
- Access to arts, recreation & Dayton's innovation ecosystem

Interviews begin in January, with the selected candidate starting no later than August 1, 2026. If you have any questions, contact HR Director, Marion Stout at [marion.stout@mcesc.org](mailto:marion.stout@mcesc.org)
