## READY FOR A NEW LEADERSHIP JOURNEY?

Are you a current ESA CEO looking for an unparalleled professional development experience? AESA proudly introduces its new National ESA Leadership Academy, a 12-month journey designed exclusively for visionary educational leaders like you.

### What Awaits You at the Leadership Academy?

#### Explore Leadership Issues Important to CEOs

During this 12-month academy, experience 6-8 in-person or virtual meetings, facilitating deep connections and insightful dialogues with your cohort.

#### Discover Emerging Issues and their Impact on Education, Your Agency, and Your Career.

AESA will bring you the expertise on innovation, entrepreneurship, artificial intelligence, talent retention, and much more, helping you stay at the forefront of educational leadership.

#### Deep Dive into Topics Most Important to You

Customize your journey when you examine a topic or project that is of particular relevance, importance, and interest to you and your agency.

#### Includes International Travel

Experience a once-in-a-lifetime trip to South Korea and Singapore in March 2025. This element of the Academy, organized by ACES International, will expose you to global educational systems, innovative practices, and diverse cultures, enriching your leadership perspective.

#### Plus! Academy Tuition includes AESA Professional Learning Events

Your tuition in the Academy includes discounted registration for three of AESA's annual professional learning events: Annual Conference, Summer Leadership Conference, and the Advocacy in Action Conference (formerly known as Educators' Call to Action Conference).

# AESA ANNUAL LEADERSHIP ACADEMY

## SOUTH KOREA – SINGAPORE: MARCH 2025

**The Annual AESA Leadership Academy Delegation** is facilitated by AESA member and business partner, ACES International Education of Area Cooperative Educational Services (CT). The delegation's travel is multi-purposed, introducing AESA Leadership Academy participants to local, regional, and national levels of education on a global scale. Through a professional international experience, AESA Leadership Academy participants experience the society, culture, and educational system of countries each year.

**The AESA Leadership Delegation** will experience an authentic *Local-to-Global and Global-to-Local* immersion for professional and personal experience. As a public education authority, ACES International upholds rigorous safety standards, providing added safeguards, advisory, and on-site supervision of participants during travel. This all-inclusive experience is contained within the AESA Leadership Academy program and provides cultural readiness seminars and hands-on learning resources for participants.

**This Annual AESA International Experience** will be invaluable for participants as it exposes them to world-class educational systems, innovative frameworks, and cultural diversity. These insights inform a participant's own practices, contribute to their institutions, and ultimately benefit the U.S. Education system through global competence.

**Registration:** Before August 15, 2024

**Requirement:** Participants must possess a valid passport by October 1, 2024 (Currently: 10-13 weeks for processing)
