Do you have key staff that you would like to prepare for an ESA CEO position? Would you like to have key staff learn about the administrative operations of other ESAs across the country? If you answered yes to any of these questions, please consider the AESA Executives in Residence Program, a year-long program of professional development for ESA leaders. This program, now soliciting its thirteenth cohort, has provided learning opportunities for many individuals who now are in ESA CEO positions. Applications are due by May 15, 2016. Take a look at the [BROCHURE](#) and the [APPLICATION FOR ADMISSION](#). There are also opportunities for your ESA to serve as a host agency for an Executive in Residence. WE NEED YOUR PROPOSAL

The window for proposal submission to the **AESA Annual Conference** (Nov. 30-Dec.3) in Savannah, GA is open. These breakout sessions are the heart of the Conference as they provide an opportunity to showcase what your ESA is doing and for all of us to consider whether this type of program or service might meet the needs of the school districts that we serve.

Breakout sessions are one (1) hour in length and there are seven time blocks for the sessions.

The four submission areas are:

- Governance and Leadership
- Instruction - Innovative Programs and Services
- Innovation - What is New at your ESA
- An Open Category

At present, we have less than thirty (30) proposals submitted. More are needed. Please follow the link below to learn more about the submission process and to submit your proposal.
