People Generally Resist Change

When Times are Difficult

They Expect It

“Only when the tide goes out do you discover who’s been swimming naked.”

*Warren Buffett*

## Look For Opportunities to Improve Efficiency

- How are You Spending Your Most Precious Resource – Time?
- Take Inventory of the Programs You are Providing
- What Programs Have Become or Are Becoming Hard to Sustain?
- Take a Look at Your Processes
- What Behavior are Your Processes Incentivizing?

A stylized globe composed of several curved segments in shades of orange, teal, and light blue. The segments are separated by white lines, and there are white circular nodes at the intersections of these lines. The globe is centered on the page.

Ask a Better Question

Instead of “Can We Make a Change?”

Ask “How Can We Make a Change?”
